Half Term Value

Openness

In assembly this week we reviewed what we had learned about our school value of openness, about how it helps to achieve our shared goals through:

- Sharing our ideas and feelings
- Having an open mind
- Listening to other people
- Co-operating
- Accepting difference

We then asked some children to use their openness to carry out a 'whispering challenge' to pass on a message about a shape made out of cubes. They got the right shape in the end but forgot to mention the colour. More open mindedness needed!

Celebrate!

In our celebration assembly I was delighted to hand out certificates to children for a variety of reasons. These included kindness, hard work, improvement, imagination and resilience. Well done to all of our winners. I also told the children how proud we are of them all. I am forever telling anyone who will listen, how wonderful the children at Langley are. They really live our school values in the way that they treat each other and in their approach to their learning and other activities. You should all be very proud of them too.

Have a Great Easter break!

Mr Cashmore

EASTER EGGSTRAVAGANZA

We have been bowled over by the huge effort, imagination and time that the children have put into their Easter Eggstravaganza creations! They are AMAZING!

Mr Cashmore and Mrs McCutcheon had the difficult job of judging them this week. The effort that had gone into the children's creations was amazing and picking winners was tough. Thank you for supporting your children in preparing their entries and well done to the children for all the imagination and hard work that went in to the designs. All entrants have been rewarded with an egg. Particular congratulations to the winning entries.

A special thank you to Mrs Tandy, (parent), who kindly ordered the Cadbury eggs for us.

Year Five Museum

We all had a wonderful time this week visiting year five's Ancient Egyptian museum on Thursday. The enthusiasm, confidence and knowledge of the children was amazing. They gave the visitors presentations on everything from mummification and shadufs to erosion and river features. Well done year five for putting on such a fantastic day!

Year Three's Easter Production

Our Easter production was well attended by friends and family of year three children and what a treat they were given. The Easter story and its message of new life and hope was skilfully shared through dance, song and acting by both classes. Thank you to the year three children and the adults who supported them.

Swimming

Due to unforeseen circumstances, there will be no swimming for next half term.

Hopefully, lessons will continue for the final half term and we will let you know as soon as we can.

Year 6 only

Friday 7th April is the last day to order SATS breakfast. Please return your completed form to your class teacher.

Thank you

Peripatetic Music Lessons

Final payments are due please on ParentPay for the balance of monies due for 2016/17 lessons.

New School Website.....

www.langley-jun.solihull.sch.uk

School Visits

Please make contributions to ParentPay for your child's visit as soon as you are able, so we can confirm that the visit will go ahead.

Year 5 Friday 05/05/2017 River Studies

Year 4 Monday 12/06/2017 Sea Life Centre

Dinner Money

We have now reached the end of the spring term and the end of the financial year. All monies have to be forwarded to the local Authority for them to complete their accounting year.

Please ensure your child's lunch account is paid up to date for the end of term and in credit for when we return on 24/4/2017.

If your child's account is in a negative balance, it is important that you send a packed lunch daily from home from Monday 24/4 at the start of the summer term until your arrears have been paid.

Thank you for your support.
Mrs J Troy

Break up for the Easter Holidays
Friday, 7 April at the usual time.

Return to school on Monday, 24 April 2017
