What to do at home

Below are a number of suggestions and activities that you may find helpful in supporting your child through this terms curriculum.

Reading

Please encourage your child to read regularly at home.

Numeracy - Based on age related expectations

- Continue to learn the times tables and the corresponding division facts.
- Tell the time (analogue and digital) Look at time tables eg. TV Transport time tables.
- Simple mental sums using two digit and three digit numbers
- Allow your child to handle money and become familiar with the value of coins.

Homework

Set on Thursday and in the following Wednesday

Spelling Test on a Wednesday

Times Table Rockstars is encouraged - There are also lunchtime clubs that children can attend if they wish

Library books - changed on Fridays

Practise riding your bikes as we will have Bikability in March. You will need to be able to confidently lift one hand off the handle bars at a time whilst moving.

Bikability and Health Week are the week beginning March 12th
