**What to do at home**

Below are a number of suggestions and activities that you may find helpful in supporting your child through this terms curriculum.

**Reading**

Please encourage your child to read high quality and age appropriate texts regularly at home.

**Spellings**

Ensure your child prepares for their spelling test every week and support them in understanding and using new/unfamiliar vocabulary.

**Numeracy - Based on age related expectations**

- Continue to learn the times tables and the corresponding division facts.
- Tell the time (analogue and digital) Look at time tables e.g. TV Transport time tables.
- Simple mental sums using two digit and three digit numbers.
- Allow your child to handle money and become familiar with the value of coins.
- Give your child experiences using measures - baking, cooking.
