

KIRFs (Key Instant Recall Facts)

Dear parents and carers,

We are introducing KIRFs (Key Instant Recall Facts) which your child will be practising at school until they know by heart. Please support your child's learning by practising these facts with your child(ren) as often as possible.

Please contact Miss Hands if you have any questions or comments.

**These are the number facts
your child will need to learn
each half term.**

Key Vocabulary

These are the words
your child will be using
in school to show their
understanding.

Top Tips

These are suggestions for ways in which you can make the learning fun and engaging. Your class teacher may be able to suggest more ways in which your child can practise.

Useful Websites - Play games, sing songs and have fun while practising!

KIRFs (Key Instant Recall Facts)

Year 2 – Spring 2

I know a variety of units of measure

Your child is expected to know these number facts by heart by the end of this term.

Please support your child by practising with them regularly (3 times a week).

60 minutes = 1 hour

24 hours = 1 day

£ = pound

p = pence

100p = £1

7 days in a week

12 months in a year

Children should know the value of every coin.

Key Vocabulary

Which has the greater value?

Which is worth less?

Order

Largest coin

Smallest coin

Top Tips

The key to learning number facts by heart is to practise **little and often** and by making it **fun**.

Children should handle money as often as possible. They could draw around the coins; order the coins in size; order the coins in value; coin rubbings. Make shopping lists and play shops. Investigate how many different ways you can make an amount of money.
